

### Family Aide Class Grants 11 Diplomas

**JUNIOR ACHIEVERS** . . . Three of the Southland delegation of 12 teenage executives attending the five-day National Junior Achievers Conference at the University of Indiana in Bloomington prepare to board plane. Left to right are Stephanie Scott, 16-year-old senior at Burbank High School, and Miss JA of Southern California; Scott Hanlon, recent graduate of North High School in Torrance and Southern California president of the year; and Gene Ellen Kreyche, 17-year-old senior at La Habra High School and winner of the junior achievement speech contest sponsored by the Beverly Hills and Los Angeles Rotary Clubs.

Another class of family aides received diplomas at a graduation ceremony held at the Torrance YWCA, on Monday, Aug. 15.

The diplomas were awarded by Mrs. Carol Wood, executive director of the Torrance YWCA.

The family aides have completed an 18-hour course conducted by Mrs. Virginia Keyes and Mrs. Phyllis Chambers of the Red Cross Nursing Service and Miss Barbara Brahm of the Dairy Council of California. Miss Louise Noble of the Social Security Office gave the class information on their Social Security benefits.

#### Diseases Noted

Five cases each of gonorrhea and aseptic meningitis topped the list of notifiable diseases reported in the Torrance Health District for the week ending Aug. 13. Also reported were one case each of hepatitis and syphilis.

The 11 women were recruited and referred to the course by the California State Employment Service Older Worker Specialist, Mrs. Mary Cordes.

These trained family aides are now available to perform a valuable service to the community. They are prepared to help a mother during her first weeks with a new baby, the chronically ill person when relatives are not available, and the aged person needing assistance. During training the students receive instruction in nutrition and food management, learned to improvise equipment for use in the home and become familiar with emergency procedures to follow in case of accidents.

Private employers wishing to hire the services of a family aide may contact the California State Employment Office at 1016 Sartori.

### Traffic Signals Approved

Installation of traffic signals and highway lighting at Palos Verdes Drive North and Narbonne Avenue has been ordered Supervisor Burton W. Chace announced today.

The Board of Supervisors yesterday awarded a \$43,031 contract to Smith Electric Supply for the installation of the lighting systems, Chace said.

The contract also includes similar work at the intersection of Vermont Avenue at 228th Street.

The project plans and specifications were prepared by the County Road Department and the installations are scheduled for completion in October.

A portion of the Palos Verdes Narbonne Avenue project is within the city of Rolling Hills Estates. The city is contributing an estimated \$13,500 toward the cost of this installation.

"The completed installation on Palos Verdes Drive North," Chace said, "will increase safety and improve the regulation of traffic flow through this important Master Plan Highway intersection."

### Certi-Bond Will Host TV Sheriff

John Rovick, best known to television viewers for the last 14 years as "Sheriff John," will appear in person at Certi-Bond, Saturday, Sept. 10, at 11 a.m.

Star of KTTV's popular noontime weekday children's television show, "Sheriff John's Lunch Brigade," the towering, 6-foot "Sheriff John" holds the record of being America's longest-run weekday performer on a children's show. He has been on the air continuously for more years than any other personality.

Attired in regular sheriff's uniform — both for his television shows and for personal appearances at clubs, carnivals, social functions and at business establishments — Rovick attracts and easily wins the affection of youngsters wherever he goes.

Every day during his "Lunch Brigade" program from 11:30 a.m. to 12:30 p.m., "Sheriff John" sits down at the table and eats lunch in the studio along with his home audience of thousands of loyal young viewers. Over the years, John has eaten more than 2,600 meals on camera.

A native of Dayton, Ohio, Rovick began his career as a radio announcer after graduation from Michigan State College. He served in the U.S. Air Force as a radio operator and gunner, participating in bombing missions over Africa, Sicily, and Italy, and later was transferred to Special Services as a second lieutenant. After the war, he came to Hollywood and joined KTTV, Channel 11, as an announcer in 1948.
